Winemaker's Tasting Notes

Aromas of black cherry, plum, and raspberry fruit combine with a beautiful hint of vanilla-oak loveliness, smoothly textured in the mouth, very creamy and round, the finish is long and has lush jammy fruit - this wine is dangerously good! Remember - you are what you drink...

**2011 Michael David EarthQuake Lodi CA \$25**

Over the top and shattering to the veins! The original is the Earthquake Zin that comes from an old Lodi vineyard planted around the same time of San Francisco's great Earthquake of 1906. While

mulling over a label name in the vineyard, Michael Phillips thought it only seemed fitting to relate this intense wine with the historical quake. With over 15% alcohol and bold tannins, these dark and voluminous wines will definitely leave your senses quivering.

*Big on character, our 2011 Zin is opaque, dark purple with a hint of cured tobacco on the nose. Exploding on the palate, bursting with jammy black raspberry and warm spice.*

### **2009 Peterson Zinfandel Bradford Mnt \$34.50**

The Bradford Mountain Zinfandel comes from our Estate Vineyard. Intense spicy black pepper and lush blackberry fruit aromas emerge against a vanillin oak and mineral background. Seductive flavors burst on the palate—spicy rich blackberry, white pepper and the ever-present mineral essence threads through to the lingering finish.

### **2009 Elyse Korte Ranch Vineyard St Helena Napa Valley \$35**

Elyse has emerged as one of the most dependable producers of Zinfandel in California. Plenty of blueberry jam, chocolate, baking spice and sandalwood notes. The tannins are firm yet supple.90
